

## 2-Way Text Messaging

It's fast. It's mobile. It's 2-way text messaging that lets you talk to your friends without saying a word. Check out the following how-to info and start today:

### T-MOBILE PHONE TO ANOTHER WIRELESS PHONE

1. Select "Write Message" or similar option from your messaging menu.
2. Write your message using the keypad on your phone.
3. Send the message to the recipient's 11-digit phone number (1+ area code + 7 digit wireless number).

"Hi Bob." (Send to) "1+xxx+xxxxxxx"

*No long distance charges will be incurred when making local calls within your calling area.*

### T-MOBILE PHONE TO AN E-MAIL ADDRESS

1. Select "Write Message" or similar option from your messaging menu.
2. Enter recipient's e-mail address followed by a single space.
3. Write your message.
4. Send it to "500."

Joe@abc.com (space) "Hi Bob." (Send to) "500"

### PC E-MAIL TO T-MOBILE PHONE

- Every T-Mobile phone comes with an e-mail address. It is your 10-digit phone number (area code + your number)@tmomail.net
1. Write message on PC.
  2. Send to 10-digit phone number @tmomail.net

### START MESSAGING IMMEDIATELY

Your phone is already set up and ready to go!

When a message arrives, your phone will ask if you want to read it. Just follow the prompts for reading, saving and deleting the message. To reply, just click "Reply," write your message and send it. The phone automatically takes care of the addressing.

### MESSAGE DELIVERY

T-Mobile attempts to send messages to you for up to 72 hours. If your phone isn't on or within the service area during the 72-hour time frame, the messages will be deleted or lost.

After you send your message, wait for the "Message Sent" confirmation to ensure your message is on its way.

To learn more, refer to the messaging area of your phone. And for more useful tips or to sign up for additional 2-Way Text Messaging services, visit t-mobile.com

## On Demand Alerts

Short and sweet: you rule. So why wait? On Demand Alerts give up sports scores, jokes and all the good stuff on a whim, in a flash.

Your sample codes are below, so get going. And if you ever need help, need more codes or need to learn more, visit t-mobile.com.

On Demand Alerts cost 20¢ each.

### TO RECEIVE ON DEMAND ALERTS

1. Write your message using the on demand alert code.
2. Send it to "444."

"Alert Code" (Send to) "444"
